

Enchanted Makeovers
Capes for Kids
an armor of strength, imagination and hope

SUPPLIES:

- 1 piece of prewashed knit fabric (approximately 28" x 30")
- 1 yard of 7/8-inch grosgrain ribbon
- Felt shapes for superhero symbols

INSTRUCTIONS:

1. Lay your 28" x 30" rectangle piece of knit fabric flat on your table.
2. Lay the ribbon on the inside of the fabric along one of the 28" long sides, about 2 inches from the edge (near the chalk line).
3. Working on several inches at a time, run a line of hot glue above the chalk line. Fold the fabric over the ribbon as shown and press with your fingers, **taking care not to get any glue on the ribbon.** Let the glue dry.
4. Using your felt shapes, design and assemble your superhero symbol.
5. Once your superhero symbol is ready, glue the superhero symbol to the outside of the cape. Glue the symbol 6" from the top of the cape and centered along the width of the cape.
