

Enchanted Makeovers

Transforming Shelters for Women and Children into Heartwarming Havens.

Founded in 2007, Enchanted Makeovers is a 501 (c) 3 not-for-profit volunteer organization that transforms shelters for women and children into places of peace and possibilities. We seek to meet basic needs as well as spiritual needs for hope and beauty.

Working on a project basis, we organize volunteers and donors to create a lasting impact at shelters. In some cases, this means completing an “extreme makeover” with new paint and furnishings; in others it entails one-day events with personal and inspirational gifts and donations; and always it involves continuous outreach to raise awareness of the plight of women and children in shelters. Projects are never compromised on beauty or quality.

We Believe...

*Handmade items infused with creativity and thoughtful attention to detail carry with them the love and hope of the creator, inspiring others to create love and hope.

*Everyone is talented, creative and worthy of surroundings that nurture their soul, from where their greatness can emerge.

*When you help others realize their dreams, you realize your own.
